3. What church involvement have you had?
4. Is there any outstanding problem or difficulty in your life?

6. Please explain why you want to attend the Trained Birth Attendant School and what are your expectations?
7. What is your vision/calling from God in missions and how do you see this course equipping you for that call? What are your goals/objectives for taking this course?

Please note:

- Please understand that the school is a one year course and the outreach assignment is vital for the completion of the school.
- Outreaches may involve strenuous exercise including hiking in the mountains with a full backpack of personal belongings, food and medical supplies. Do you have any physical concerns that would hinder you from total involvement in this type of outreach?
- The school requires that you commit yourself to regular study as there will be reading and written assignments required by each student.
- School fees are yet to be determined. There will be extra costs for the outreach depending on location and needs of field assignment plus the extra cost of airfare.
- If you do not have the full finances (lecture and outreach) two weeks before the school starts, please contact us by phone.
