

## **Doctors Reaching School Questions**

1. Please describe your conversion experience and your present relationship with God (no more than a page).
2. What areas of your character are you presently seeking God to further develop and improve?
3. Is there any outstanding difficulty in your life?
4. How has God directed you to do the school? Include any scriptures, etc.
5. Please describe your medical school/professional experience as a doctor, and why you want to attend the Doctors Reaching School as well as any expectations you may have in doing the school.
6. What is your current church involvement and how does your church feel about you doing the Doctors Reaching School?
7. Do you have any physical concerns that would hinder you from being fully involved in a medical outreach, that may require strenuous activity or walking?
8. What is your vision/call from the Lord relating to missions and how do you feel this school will equip you for that goal?
